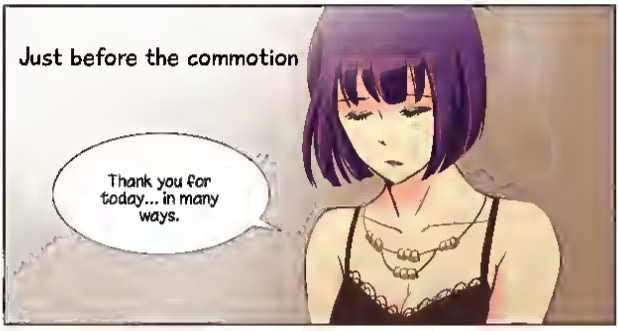
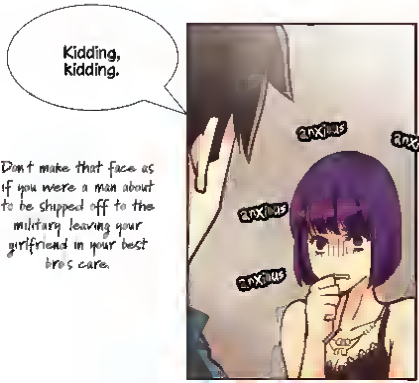
Did I mention many were victimized by this Rottweiler?

The second victim was

Aunt NaYoung.





Kidding, kidding.
Don't make that face as if you were a man about to be shipped off to the military leaving your girlfriend in your best bro's care.

Anyways, why don't we get away from here,
and take a stroll?
Don't you think it's a waste to spend this hard-earned vacation worrying about every little thing?
Don't you have anything you want to do on the beach?
Swimsuit...
I want to wear one.

You mean the lady you saw earlier? The one in the black dress?
Why do you mind her so much?

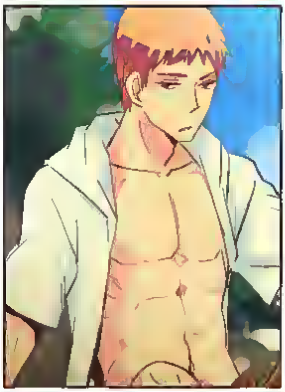
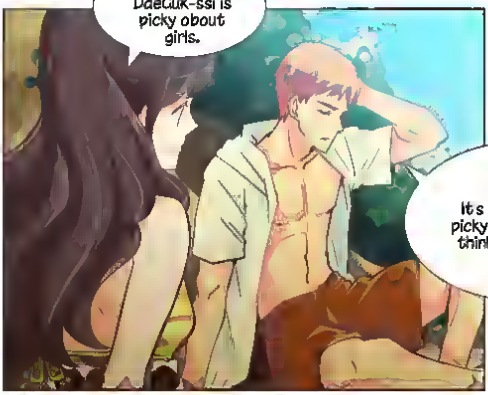
Tap Tap

She actuolly got hit on on the spot by DaeGuk hyung, who's single out of extreme coutiousness.



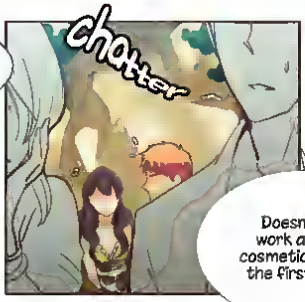
Eh? Really?

I guess DaeGuk-ssi is picky about girls.



It's not that he's picky... More like he thinks too much...

Who's that?



Doesn't she work at that cosmetic shop on the first floor?

I've invested a lot of effort into this body... If I'm not gonna show it off now, when should I?

I'm a bit worried about my make-up and period,
but I guess it'll work out as long as I don't go into the water.

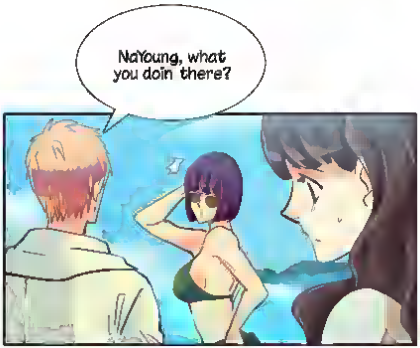
What's she doing?



NaYoung, what you doin there?

Ah, I'm just taking a walk like normal.
Just which part of that was normal?
She wasn't in love at all but gets embarrassed when someone else hinted about that

GRAB

Why? Why?? Why?? Why are you going??
I'm... I'm just curious about what's going on.
NO!! WHAT IF YOU GET BITTEN?!
DON'T GO!

Fine. I won't go. Happy?

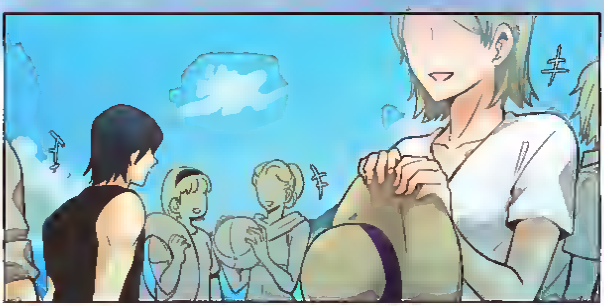
That rotten dog...

That is a pretty rotten situation, I admit.
To be honest, now that I have already rejected SuHo-ssi,
I know very well that I have no excuse to be jealous.
I know it in my head...
But in my heart... I feel mad and vexed as if something of mine has been taken away from me.
I'm worrying sick about what the two of them are doing at this moment
But I can't work up the guts to butt in and show that I care,
nor can I bring myself to just brush it off like I didn't give a damn.
Why am I so foolish?

It can't be helped.

If it's foolish that your head and your heart don't work the way you want them to,

there's not a single person out there who isn't foolish.

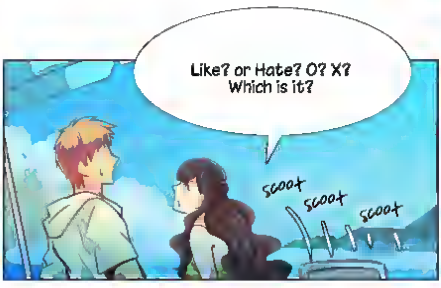


I'm sorry. I'm just very afraid of big dogs.
Anyone would feel scared when a dog that big suddenly charges at you.
Though President Cho seems to be the exception.

SuHo-ssi.
Hmm?

What does SuHo-ssi think of me?

Why all of a sudden?
?



Like? or Hate? O? X?
Which is it?

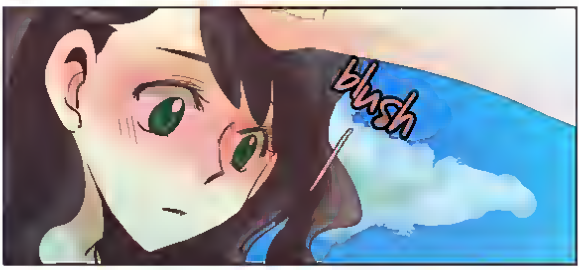
Why would I hate you?



blush

Actually...
I had wanted to do this more properly, and in a flashier way...
But I think I want to do it now.

I like SuHo-ssi.
I've liked you ever since I first met you.
